11. [ ] JSW) Talked to Mr. Woodruff and Mr. Michaels who agreed it would be more useful if they were both able to visit the Agency to look at our budget at the same time. As of now, they will attempt this on either 12, 13 or 14 April.

12. [ ] JSW) Talked to Mr. Darden, Senate Armed Services Committee staff, and got certain reactions of the Chairman to the Katzenbach report which have been reported to the Director orally.

13. [ ] JSW) Talked with Russ Blandford, Bill Darden, Bill Woodruff, and Bob Michaels suggesting that the Director would be happy to meet with the Subcommittees at the chairmen's pleasure.

14. [ ] JGO) [ ] Mr. David Brandwein, [ ] met with Mr. George Norris for continuation of the informal briefing started in the meeting of 21 March. The day's session dealt largely with definitions and concepts involved in the study of Soviet missile capabilities. Mr. Norris was most appreciative and, in concluding, noted that he would like assistance in developing questions (from those set forth in the letter of 7 March) for response by the Agency that might come within a permissible range of sensitivity for use by the Committee.

15. [ ] JGO) Met with Mr. Donald Cronin, Administrative Assistant to Senator Lister Hill (D., Ala.), and rescheduled the luncheon meeting with the Director for 14 April. The previous date of 4 April which had been tentatively scheduled was cancelled at our request.

16. [ ] JGO) Met with Mrs. Peggy Rapking, Appointment Secretary to Senator Howard Baker (R., Tenn.). Mrs. Rapking has blocked the Senator's calendar for breakfast with the Director 11 April and will verify this date with the Senator during the day or tomorrow.
